We are in the process of receiving a timeshare unit(s) at The Christie Lodge ("The Lodge"). We would like this letter to show our understanding regarding ownership at The Lodge. Once we obtain ownership, we understand we will be billed maintenance dues twice a year. We also understand we are responsible for knowledge of the rules and regulations regarding the timeshare. We know we can request copies of these rules and regulations from The Lodge, if we do not automatically receive these in the mail. We can call (800)845-0257 or (970)949-7700 and ask for the Owner Accounts department if we do not automatically receive these documents. In signing this form does not guarantee that title is free and clear. The Association and its employees are not responsible for any title issues related.
